Final Results of the 2026/1 Admission Process for the Graduate Program in Physics (PPGFI) at the Federal University of Sergipe Report after candidates' appeals

Dear applicants,

Below is the result of the selection process for admission to the 2026/1 academic term of the Graduate Program in Physics at the Federal University of Sergipe, following candidates' appeals.

The results are organized by call notice and by area of concentration. Each candidate's score is presented along with their final status, as follows: **A – Approved, R – Not approved**. In the event of a tie, the selection committee applied the tiebreaker criterion of higher age, in accordance with item 3.8.12 of the Call Notice **EDITAL PPGFI /POSGRAP/UFS N° 04/2025**.

As stated in the call notice, the final evaluation considered the average weighted score:

- For the master's program: 30% from the curriculum vitae and 70% from the academic transcript.
- For the Doctoral program: 50% from the curriculum vitae and 50% from the academic transcript.

The minimum score required for approval was 5.0 points.
